

Keeping with the Trends...

Our professionally trained and certified colourists constantly scour the globe sourcing the latest in styles and trends. As members of the world renowned Color Marketing Group, our colourists also combine first hand observation with top notch research giving you the inside track on colour trends before they hit the runway or decorating magazines.

COLOURCANVAS2009

This year's Colour Canvas 2009 Collection includes the following emerging trends: **Ease, Earth-Watch, Exploration, Evolution, Expression.** Under their inspiration, walls become canvasses of lively tones or serene shades. Presented in this handy pocket-size portfolio, each colour can be conveniently compared to your existing or potential choices. Enjoy the convenience, match your personality, mood or taste, and see your décor turn into a colourful canvas.

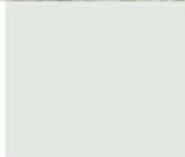

Ease

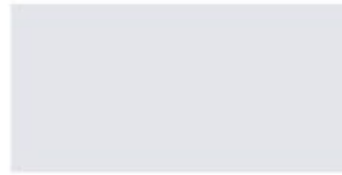

When was the last time you wanted to run away to home? Maybe it's time to start over? Clear out the clutter and simplify your space with this serene selection of colours.

Easy does it, every time

Exploration

Come back from your travels with vibrant visual memories that will influence your colour choices for years to come. Whether it's the saturated greens of a rain forest, the red lacquer of a temple, or the terracotta hues of a canyon, those colours live with you prolonging the experience long after it has passed.

Return from your travel with more than just souvenirs.

Evolution

If these colours look vaguely familiar it's because they are. The colour palette here is one of evolution not revolution. These comfort colours provide the perfect backdrop in any environment. They're always fresh and always in season.

Picking your favorite colour is as easy as picking your favorite flower.

Expression

The contrast pairing of pale and organic bright colours definitely makes a statement. It's the perfect offering for individuals who want to create their own personal space in the world.

Know yourself. Be someone. This palette is as individual as you are.
