Our Very Best!

Cloverdale Paint's High Performance solid hide stain has been developed with the industry's newest technology to provide superior performance on exterior vertical wood applications.

For New Construction or Previously Stained and Painted Exteriors

Easy to use water-base acrylic formula provides beauty, protection, and performance on vertical wood siding, shingles, trim, fascia, wood composites and fibre cement siding.

Provides Superior Weathering

Better resistance to cracking, peeling, and blistering. Formulated with extra mold and mildew inhibitors compared to ordinary stains.

Built with additional volume solids to provide higher film build, less splatter, and better hiding.

Cloverdale Paint is proud to provide a 15 year limited warranty with its High Performance solid hide stain.

Cloverdale Paint

solid hide stain
HIGH PERFORMANCE

15
YEAR WARRANTY

CLOVERDALE PAINT LIMITED WARRANTY

Cloverdale Paint Inc. warrants its High Performance solid hide stains, subject to the conditions contained in this limited warranty for 15 years against cracking, peeling, and blistering from the date of purchase.

conditions:

- This warranty applies where 2 full coats* of High Performance solid hide stain are applied on vertical wood or fibre cement siding, wood composites, shingles, trim and fascia. It does not apply for fences, decks, and other horizontal or non wood substrates.

* *full coats are defined as the specified spread rate per application and dry times observed between applications as per label instructions.*

- The surface to be stained must be clean, dry and free from loose & chalking materials. All mold and mildew must first be removed. New or unfinished wood must be primed with Cloverdale Paint #15130, exterior oil base primer or #05130, exterior acrylic/latex base, stain blocking primer. All other product label instructions must be followed.

limitations:

- Cloverdale Paint and its affiliates ("Cloverdale Paint") shall not be responsible for any failure relating to improper care or application, excessive moisture content of the substrate, unsuitable or improperly prepared surfaces, or less than the recommended amount of product applied as per label instructions.
- This warranty does not apply if failure is caused by delamination of the previous underlying coating system.
- This limited warranty does not apply to problems caused by alteration of this product, misuse, improper storage, abuse or neglect.
- This warranty is not applicable where damage to the coating is caused by power washing.
- This limited warranty does not include any labour or cost for the application of any stain, and in all cases, the maximum liability of Cloverdale Paint, if any, shall be limited to direct damages only in an amount not to exceed the original purchase price of the product. To the maximum extent permitted by applicable law, Cloverdale Paint expressly disclaims and in no event shall be responsible for any liability for any incidental, special, indirect or consequential damages resulting from any reason whatsoever.

If this product fails to perform as described, Cloverdale Paint shall provide at its own expense, sufficient replacement product(s) to repaint the affected area or refund the purchase price equivalent to product used on the affected area.

Except for the limited warranty expressly provided above, to the maximum extent permitted by applicable law, Cloverdale Paint disclaims all other warranties.

All claims must be submitted in writing and accompanied by proof of purchase. Claims may be made at the Cloverdale Paint location where the product was purchased or mailed to the address below.
