**PAINTING TOOLS
AND ACCESSORIES**

PROUDLY CANADIAN - PROVIDING QUALITY PAINT PRODUCTS TO PROFESSIONALS SINCE 1933

Cloverdale Paint carries a large assortment of painting tools and accessories to serve all architectural coatings markets including Professional and Maintenance Painters, Independent Dealers and the Do-It-Yourselfer.

This catalogue is a consolidation of the core items used by most painters and will satisfy even the most engaged home decorator. It represents a “high turn” assortment of applicator tools and accessories we recommend painters, maintenance departments and authorized dealers consider stocking to complement and complete the Cloverdale Paint product line.

If you require a painting tool or accessory not included in this catalogue, please contact your Cloverdale Paint representative and he or she will source it for you.

Cloverdale Paint provides the benefit of ordering paint sundries from the same supplier you buy your paint from.

What this means to you ...

- One stop shop - fewer invoices and statements to administer.
- Save Time - order your paint and sundries together which can save you time.
- You can save money by avoiding shipping costs from other suppliers as your paint accessories can be picked up or shipped free of charge with your paint order.

Best of All...

- **Authorized Dealers** order the exact amounts that are needed. There is no requirement to buy case lot quantities which can increase your stock and reduce inventory turns. Cloverdale Paint’s Dealer Program avoids bookings and special buy promotions that can be cumbersome to administer and follow-up on. As well, these selling methods can result in carrying excess inventory and can cause an added expense to you. For this reason Cloverdale Paint provides competitive “everyday value pricing”. Purchase products when you need them, not when your supplier needs to sell them - “We like to keep it simple!”
- **Commercial Painters** take advantage of bulk purchasing everyday, as well as value-added special events, where additional savings and new products are available.
- **Institutional and Commercial buyers** take advantage of our purchasing power to provide competitive pricing everyday, as well as sourcing any hard-to-find items.

When it comes to your paint and painting tool requirements, consolidate your purchasing with Cloverdale Paint!
