### GRACO XP AND XM PLURAL COMPONENT SPRAYERS

Whether you're spraying a high-solids polyurethane or a 100% solids epoxy, Graco helps you get the job done with a complete line-up of XP Fixed-ratio Plural Component Sprayers or XM Variable ratio Plural Component Sprayers.

When you upgrade from hand mixing, you'll find that the XP'S and XM'S provide excellent return on investment by improving application efficiency and reducing material waste and using less solvent.

To learn more about our GRACO XP or XM sprayers or to request a custom solution, contact your Cloverdale Industrial Representative.

*Professional Finishes*

# 1K ACRYLIC FLOOR COATING

**Features and Benefits:**

- Water-based formula low in VOC's
- Contains no harsh solvents and reduced environmental impact

**1K Technology:**

- Single-component formula for easy application
- User-friendly for professionals and DIY customers

**Exceptional Durability:**

- Tough and resilient surface that withstands heavy foot and light vehicle traffic
- Resists abrasion, chemicals, and UV rays
- Non-skid applications with a smooth or texture finish

**Quick Drying:**

- Touch-dry within hours and swift return to regular operations minimizing downtime during application

**Colour Availability:**

- Variety of traditional or custom colors for a clean, attractive appearance

**Easy Application:**

- Designed for professionals and DIY enthusiasts with no complicated mixing with 1K technology

**Ideal for:**

- Residential garages floors
- Institutional and commercial maintenance areas
- Workshops
- Sport surfaces
- Retail spaces
- Strata utility and common areas
